Why Choose the American Pathway?

STRUCTURED LEARNING PATH

A credit-based program providing a clear, guided academic journey, ensuring a balanced and complete academic profile.

CONTINUOUS ASSESSMENT

Progress is measured consistently across the year, so every effort counts and no single test determines your child's future.

BUILT-IN QUDURAT & TAHSILI

SAT and ACT formats train the same logic skills as Qudurat. AP courses naturally overlap with Tahsili science content. Dedicated support G10 to G12, in Arabic and English.

ADVANCED OPPORTUNITIES (AP)

As an official AP examination center, AIS enables students to gain a head-start through college-level courses while in high school.

ACT • CollegeBoard • Advanced Placement (AP) • SAT

American High School Diploma

4

YEARS

4-Year Program

Studied from Grade 9 to Grade 12,
awarded upon high school graduation.

20—24

CREDITS

Credit-Hour Based

Students must accumulate 20—24
credits to obtain the diploma.

ACCREDITED

Cognia Accredited

Awarded by the school in accordance
with Cognia accreditation standards.

Subjects by Grade Level

GRADE 9

Math (Algebra I)
English (Lang + Lit)
Physical Science
Physics
Chemistry
Biology
Business / Economics
Arabic
Social Studies
Islamic Studies
Computer Science
PE

GRADE 10

Math (Geometry)
English
Physics
Chemistry
Biology
Arabic
Social Studies
Islamic Studies
World History
French / ICT

GRADE 11

Math (Alg II / AP Calc AB)
English
Physics
Chem / AP Chemistry
Bio / AP Biology
Arabic
World History
Social Studies
Islamic Studies
French / ICT
AP Psychology / AP CS
PE

GRADE 12

Math (Calc / AP Calc AB)
English
Physics
Chem / AP Chemistry
Bio / AP Biology
Arabic
ICT
Social Studies
Islamic Studies
French / Business
AP Psychology / AP CS
PE

AP courses available in: Calculus AB, Chemistry, Biology, Psychology, Computer Science.

External Examinations

SAT

Scholastic Aptitude Test

Measures verbal and quantitative reasoning. Digital SAT is used for college admissions in the US and internationally.

ACT

American College Test

Subjects: English, math, reading, science. Multiple-choice format with optional Writing Test.

EST

Electronic Scholastic Test

Mandatory for Grade 12. Required for KSA equivalency and university admission. Covers English, Math, Science.

AP

Advanced Placement

Including AP Calculus AB and AP Chemistry. Proven exam readiness. Required for Jordanian equivalency.

Certificate Equivalency Requirements

JORDAN

ACT 1

OR SAT 1 + 2 ACT (II)

EGYPT

6 EST (3 scientific, Math 2 required)

OR 3 EST + 1 AP

Important: Students must complete 12 academic years, with at least 3 years (G10—G12) in the American Diploma section. *Always confirm with the respective Ministry of Education.*

Why Choose the British Pathway?

STRONG ACADEMIC RIGOUR

A structured, exam-based system that builds discipline, depth of knowledge, and academic excellence.

SUBJECT SPECIALIZATION

Students focus on key subjects aligned with their future university and career goals.

CLEAR UNIVERSITY PATHWAY

A well-defined route to competitive degree programs such as medicine, engineering, and business.

PROVEN SYSTEM

A long-established curriculum known for its consistency, credibility, and academic strength.

Cambridge Assessment International Education • Oxford AQA • Pearson Edexcel

How the British Pathway Works

1

GRADE 9

Begin building strong academic foundations for IGCSE, with integrated Qudurat and Tahsili preparation and MOE subjects.

2

GRADE 10

Continue preparation for external IGCSE exams, which occur at the end of the academic year.

3

GRADE 11

Begin A-Level study through AS modules, sitting initial external exams that contribute to the overall A-Level pathway.

4

GRADE 12

Take A2 modules to complete the A-Level. Full qualifications used for university applications.

IGCSE Subjects Offered

IGCSE SUBJECTS

Choose all

- Maths
- English
- Physics
- Chemistry
- Biology
- Business Studies
- Accounting OR Arabic
- ICT OR Computer Science

MOE SUBJECTS

Mandatory

- Islamic Studies
- Arabic
- Qur'an
- Social Studies
- Physical Education

Qudurat & Tahsili preparation is integrated across all subjects by design.

Beyond IGCSE: AS & A-Level Subjects

In Grades 11 — 12, students specialize in 3 — 4 A-Level subjects from the science or arts streams.

AS / A2 — SCIENCE STREAM

- Mathematics
- Biology
- Chemistry
- Physics
- Computer Science

AS / A2 — ARTS STREAM

- English Language
- Economics
- Accounting
- Business Studies
- Psychology

Certificate Equivalency Requirements

JORDAN

6 IGCSE

2 AS + 1 A2

EGYPT

8 IGCSE

2 AS OR 1 A2

Important: Country requirements vary and change over time. Always confirm with the respective Ministry of Education.

Saudi University Admission Tests

Briefing by Mr. Wajih • 7:15 PM — 7:20 PM

SCAN FOR HUB

Qudurat & Tahsili

The two pillars of the Weighted Score (Al-Mohtasaba) used by KSA universities to rank applicants.

QUDURAT قدرات

General Aptitude Test

Cognitive abilities, analytical reasoning, and logic.

Verbal (Arabic or English) + Quantitative (Maths)

30 — 50%

of total admission score

TAHSILI تحصيلي

General Achievement Test

Subject-specific knowledge across the science track.

Biology, Chemistry, Physics & Maths (G10 — G12)

40 — 50%

of total admission score

Top universities like KFUPM and KSU prioritize these scores — combined weight reaches up to **80%** of admission.

Top 1% Qudurat & Tahsili Performance

2024 — 25 Qudurat Rankings (نتائج قدرات)

AIS GIRLS

6th

in Riyadh

AIS BOYS

7th

in Riyadh

Ranked among the top 1% of schools in KSA for both Qudurat and Tahsili — a reflection of the preparation, rigour, and care built into every stage of our programme.

21st Century Skills

Beyond academics, AIS develops the skills students need for life and university.

01

Creative Thinking

Encouraged across the curriculum and extracurriculars.

02

Student Leadership Roles

Through Student Council, clubs, and house systems.

03

Industry Experience

Visits, talks, and projects with real-world partners.

04

Community Service

Embedded into school life and citizenship programs.

05

Future-Ready Mindset

Tech literacy, problem-solving, collaboration.

Key Dates to Remember

TONIGHT

Pathway Choice

Discuss tonight with your child after the orientation.

10 MAY

Application Deadline

Submit the curriculum pathway application form via the hub.

14 MAY

Feedback & Advice

Sent to students and parents via email.
